

Fried BBJ's with Potato and Onion

Posted by Lee T.

My mother used to make this with just the potato and onion. This is one of those rare occasions her recipe could be improved.

Ingredients:

2 large potatoes

1 medium onion

8 oz. The Original Bread 'N' Butter Jalapeño

2 Tbls. cooking oil

Cut potatoes into small bite size pieces and chop onion. In a skillet, add all ingredients and cook until potatoes and onions are tender. Salt to taste.
